## **Lifetime Women's Health and Wellness Expands with Second Suffolk Clinic**

SUFFOLK, Virginia (February 11, 2013) The new expansion of Lifetime Women's Health and Wellness has recently opened at 1037 Champions Way, Suite 300, in the Harbor View Professional Center, in North Suffolk. They provide General Obstetrics and Gynecology services and surgical procedures. To celebrate the expansion, they are hosting a Grand Opening-Ribbon Cutting ceremony on February 12<sup>th</sup> at 10:00 a.m. Mayor Linda T. Johnson will be on hand at the event, which is free and open to the public.

Medical Director Dr. Edward Wing is the Chairman of the OB/GYN/Pediatrics Department at Sentara Obici Hospital. The original practice location is out of Sentara Obici, which will continue to serve clients. Dr. Wing observed there was a growing need for quality OB/GYN care in the Suffolk area. "We knew by expanding to the North Suffolk area that we would also be convenient to neighboring communities like Churchland, Portsmouth, Western Branch and Hampton," noted Dr. Wing.

"We congratulate Lifetime Women's Health and Wellness on expanding their operations", said Mayor Linda T. Johnson. "It is clear Dr. Wing and his staff aims to provide the highest quality of care in women's health."

They work with many types of insurance, Medicare and Medicaid. The hours of operation are: Monday thru Wednesday from 9 to 5, Thursday from 1 to 8, Friday from 7 to 3 and Saturday from 8 to Noon. They can be reached at 757.335.7165 or [www.lifetimewomenshealth.net](http://www.lifetimewomenshealth.net). Appointments can be made by phone or online.
