## **BAYVIEW PHYSICIAN SERVICES OPENS NEW FAMILY MEDICINE PRACTICE WITH DR. LYNNE STOCKMAN IN SUFFOLK**

North Suffolk Family Medicine, an affiliate of Bayview Physician Services, has opened a new family practice in the Bennett's Creek section of Suffolk. The practice is located in the Creekside Village Shopping Center at 3235 Bridge Road. Suffolk Mayor Linda T. Johnson will host a ribbon cutting event for this new location on Friday, February 26, 2010 at 3:30 p.m. The event is open to the public.

Practicing at this new location is Dr. Lynne Stockman, a board certified family medicine physician. Dr. Stockman earned her medical degree at Kansas City University of Medicine and Biosciences and completed a residency in family medicine at Riverside Regional Medical Center in Newport News.

"I am excited about my practice now being a part of Bayview Physicians and back in the Bennett's Creek area of Suffolk" said Dr. Lynne Stockman. "I originally started practicing in this area 15 years ago and am glad to be in a more autonomous practice setting."

"Dr. Stockman has been serving the citizens here in Suffolk for a number of years and it is great to hear that she will remain in this area and continue to provide excellent healthcare service at her new location with this new venture" stated Suffolk Mayor Linda T. Johnson. "Family medicine provides an ongoing, patient-physician relationship and this practice will be great for those individuals looking for quality healthcare for the entire family by providing both adult primary care and pediatric care".

North Suffolk Family Medicine is accepting new patients and all major insurance plans.  
Appointments can be made by calling 757-606.1656.
