## **Remedies Opens New Barber Shop and Spa**

SUFFOLK, Virginia (July 26, 2011) On Thursday, July 28<sup>th</sup>, Remedies Spa and Salon will host a Grand Opening from 6 to 8 p.m. for their new barbershop and spa, Remedies for Men. The barbershop, which is an expansion of Remedies, is located at 1514 Holland Road and has its own entrance adorned with a red-and-white spinning barber's pole at the door.

Remedies for Men gives men an old fashioned barbershop experience that combines modern techniques with classic barber services. Customers can relax in the oversized leather barber chairs and select from a variety of custom services including traditional haircuts, hot lather shaves, relaxation massages, and executive manicures and pedicures.

"We want our customers to feel that "old fashioned welcome", where you may just stop in to say "hello" or even catch up with a friend," says manager Rhonda Bunch. "I imagine a gathering place for the men of our community, maybe after a round of golf or simply just stopping by after lunch before heading back to work".

"I am happy to see the continued success of Remedies and to welcome this new addition at this location," said Mayor Linda T. Johnson. "With great customer care

and a community feel, customers will enjoy all of the wonderful services they have to choose from.”

Remedies for Men is open Tuesday through Saturday, making day and evening appointments convenient for everyone. For further information, visit their website at [www.remediesmedispa.com](http://www.remediesmedispa.com) or call 757.934.9452.
