WORLD CLASS GYMNASTICS “TOO” EXPANDS TO SUFFOLK

On Tuesday, March 16, 2010 at 4:30 p.m., World Class Gymnastics “Too”, located at 1000 Bowen Parkway in the Northgate Commons Building I, will hold a Grand Opening for their new 12,000 square-foot facility. The festivities will include a ribbon cutting ceremony plus exhibitions by their competitive team members in gymnastics. Suffolk Mayor Linda T. Johnson will host the celebration that will be open to the public.

World Class Gymnastics “Too” is owned and operated by Tami Harrison. Harrison was a 10-time All-American gymnast at Cal-State Fullerton and reached the U.S. Olympic Trials in 1984. For the past 10 years, she has been the owner and primary coach of World Class Gymnastics in Newport News.

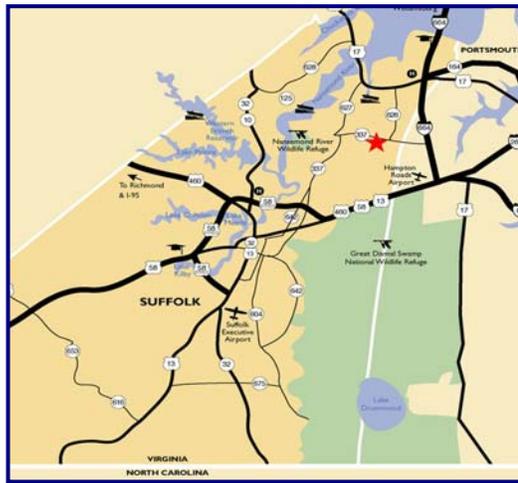

“I am honored to bring a National Training Center to Suffolk” said Tami Harrison. “World Class Gymnastics has a long history of producing State, Regional and National Champions. We also pride ourselves in having a program that provides opportunities for children who want to be introduced to the sport of gymnastics as well as providing a path for those who have bigger dreams. We want to be here for every child whether they just like learning new gymnastics skills or have dreams of becoming an Olympian”.

The new Suffolk gym offers a dedicated coaching staff that is trained to develop artistic gymnastic and cheerleading talent for students. They offer classes for toddlers,

preschoolers, recreational girls, cheer tumble, boys beginners as well as birthday parties and open gyms each Friday night.

According to Suffolk Mayor Linda T. Johnson, “we are extremely pleased to welcome World Class Gymnastics “Too” as the first tenant within this new project at Northgate Commons. This facility will provide a positive and healthy influence for the youth of Suffolk by promoting exercise, while identifying talented gymnasts of the future. I wish Tami and her staff much success.”
