### SUFFOLK RECYCLES FOR EARTH DAY

Suffolk, VA (April 8, 2009) – The Suffolk Clean Community Commission is sponsoring **Suffolk Recycles Day** on Earth Day, April 22, from 11 a.m. – 1 p.m. The recycling drive will take place in the parking lot of the old Food Lion, 1226 White Marsh Rd. in Suffolk.

Recycling is an excellent way to become good stewards of the environment. It conserves our valuable natural resources, saves energy, saves clean air and clean water and saves landfill space.

Suffolk residents are being asked to come and recycle their tires, plastic, glass, aluminum cans, electronics, household hazardous waste, office waste/mixed paper and newspapers. Come out and be good stewards of the environment--RECYCLE! Recycling these items at this event is **FREE** to the public. WCDG-FM Cool 92.1 will broadcast live at the drive. Each person who recycles will receive a Cool prize pack.

For more information on Suffolk Recycles Day, contact Hattie Lester, Litter Control Coordinator at (757) 514-7604 or [hlester@city.suffolk.va.us](mailto:hlester@city.suffolk.va.us)
